**ii. Executive Summary**

[24CFR Part 903.79(r)]

At PHA option, provide a brief overview of the information in the Annual Plan

Though an Executive Summary is not required to be submitted by the Iron County Housing Commission, the Annual Plan for PHA Fiscal Year 2003, shall serve as an outline of all management activities of the Iron County Housing Commission. The Plan has been formulated with the involvement of the residents, staff, as well as the community at large. The Plan and subsequent submittals may be modified to reflect changing conditions encountered. The

purpose of the Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program, and other members of the public may locate basic PHA policies, rules, and requirements concerning the operations, programs, and services. According to HUD, both the Annual Plan and the 5 Year Plan create the opportunity for strategic planning and citizen participation to take place in a comprehensive context; it allows local governments, opportunity organizations, and citizens, to address the larger picture in which these programs operate, offering the Iron County Housing Commission a better chance to shape the various programs into effective coordinated strategies. The Annual Plan and 5 Year Plan, as submitted by the Iron County Housing Commission, shall reference strategies developed to address the following goals of the program that it covers during the next two year period, October 1, 2002 through September 30, 2004. These include:

- A. Expand the availability and supply of safe, decent, affordable, and accessible rental housing for the low and extremely low income individuals and families;
- B. Improve and preserve existing affordable housing stock and neighborhoods;
- C. Increase homeownership opportunities for individuals and families by reducing the cost of homeownership;
- D. Make homeless assistance more effective and responsive to local need through local autonomy and movement toward a continuum of care;
- E. Develop linkages between the housing and services sector to provide greater housing opportunities for household special needs, and;
- F. Establish a suitable living environment and expand economic opportunities for low and moderate income through economic and infrastructure development.

## C. Criteria for Substantial Deviation and Significant Amendments

### 1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### A. Substantial Deviation from the 5-year Plan:

Until the PHA has met the requirement to define "significant amendment or modification," HUD will consider the following actions to be significant amendment or modification:

- Change to rent or admission policies or organization of the waiting list;
- Addition of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- Addition of new activities not included in the current PHDEP Plan; and
- Any change with regard to demolition or disposition, designation, home ownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

#### B. Significant Amendment or Modification to the Annual Plan:

Until the PHA has met the requirement to define "significant amendment or modification," HUD will consider the following actions to be significant amendment or modification:

- Change to rent or admission policies or organization of the waiting list;
- Addition of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- Addition of new activities not included in the current PHDEP Plan; and
- Any change with regard to demolition or disposition, designation, home ownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

C. Name and title of appointing official(s) for governing board (indicate appointing official for the next position):

## **Required Attachment F: Membership of the Resident Advisory Board or Boards**

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

All residents of the Iron County Housing Commission are invited to attend the meeting(s) of the Resident Advisory Board, (RAD). The residents have input into the Annual Plan when the RAD met on February 15, 2002, February 22, 2002, and on March 1, 2002. No comments were provided at that time that would change the contents of submittal that encompass the Annual Plan of the Iron County Housing Commission covering the period from October 1, 2002 - September 30, 2003.

The residents of the Iron County Housing Commission have selected to not officially form a RAD Board with officers and the like. They wish to meet informally. This office has encouraged the residents to become more reactive, yet little resident input and desire to proceed in this fashion has been forthcoming. In fact, over the last two Annual Plan submittals, and with the initial Five Year Plan, no participation has been secured from the family units.

## **Required Attachment G: Voluntary Conversion**

- A. How many of the PHA's developments are subject to the Required Initial Assessments? **Two**
- B. How many of the PHA's developments are not subject to the Required Initial Assessments? **None**
